We are committed to produce competent professionals with excellent academics, clinical exposure in 800+ bedded hospital and 100% placement assistance.

## ■ Prof. (Dr.) Deepak Kr. Raghav

■ Principal, Santosh College of Physiotherapy

### Teaching Experience: 18+ Years

Santosh College of Physiotherapy is equipped with holistic education and comprehensive learning of Physiotherapy techniques and practices. It has been my privilege to serve in the institution since 2004, first as a professor and to work as Principal since 2011 until now. As the Principal, I am committed to imparting high-quality Physiotherapy education, practical and clinical training to our students, with a focus on hands-on learning to create a world-class Physiotherapist. With our experienced faculty and state-of-the-art facilities, we expand our quality education in the form of academic events, seminars, workshops, and cultural activities that instill well-rounded experience in them. Santosh College of Physiotherapy is dedicated to preparing students for a successful career and opens up a world-class opportunity in Physiotherapy with the intention of providing knowledge and skills to excel in their profession.

PRINCIPAL'S MESSAGE

## OVERVIEW

As per the NMC Bill Act 2019: a Physiotherapy Professional is a person who practices Physiotherapy by undertaking comprehensive examination and appropriate investigation and provides treatment and advice to any persons preparatory to or for the purpose of or in connection with movement or functional dysfunction, malfunction, disorder, disability, healing and pain from trauma and disease, using physical modalities including exercise, mobilization, manipulations, electrical and thermal agents and other electro therapeutics for prevention, screening, diagnosis, treatment, health promotion and fitness. The physiotherapist can practice independently or as a part of a multi-disciplinary team and has a minimum qualification of a baccalaureate degree.

WHO defines physiotherapists as "Physiotherapists who assess, plan and implement rehabilitative programs that improve or restore human motor functions, maximize movement ability, relieve pain syndromes, and treat or prevent physical challenges associated with injuries, diseases, and other impairments. They apply a broad range of physical therapies and techniques such as movement, ultrasound, heating, laser, and other techniques to prevent common physical ailments and disorders".

# STUDENT TESTIMONIALS

**Dr. Puja Sharma**

(Assistant Professor - Piprams, Gr. Noida)  
BPT (2006-2011) & MPT (2012-2014)

"It was a great experience studying at Santosh College of Physiotherapy, Ghaziabad—a memory to cherish for a lifetime. My total of six years was full of learning and grooming. Being a Medical college, allowed me to refine my practical skills through well-equipped labs. I am thankful to Dr. Deepak Raghav Sir (HOD, Physiotherapy Dept.) for his immense support and for enhancing my academic and interpersonal skills through several workshops and seminars. It's their effort that makes me count myself as a better professional today."

**Dr. Priyanka Chauhan**

Ph.D. (Pursuing)  
MPT, BPT, Santosh Medical College

"I joined Santosh Medical College during 2011 for my Bachelors of Physiotherapy and presently, year 2022, I am pursuing my Ph.D. at the very same college. The scholarly faculty are tremendously supportive, allowing freedom to explore, learn and excel in one's area of passion. I appreciate the learning environment and excellent infrastructure provided at the college, which motivates one to learn and grow. I have countless lovely memories to cherish from my BPT & MPT pursuing days. Currently, I am working as an Assistant Professor at Kailash institute of Nursing & Physiotherapy while pursuing my Ph.D. at Santosh Medical College."
